There will also be a teacher, band conductor and parent helper from Nords Wharf staying over. The sleeping cabins are lockable from the inside and teachers will have a key to enter all sleeping quarters if necessary. All adults assisting at the camp are required to fill in a ‘Prohibited Employment Declaration’ form (available at the school office). I have all of your contact details and will call you immediately if there are any problems therefore, there will be no need for you to call to check on your child.

Transport: A car pool will be organised for the first morning (from school) only. Parents provide transport both afternoons. This will include daytrippers and overnighers.

Catering: To assist with the catering, children will pre-order their meals via a lunch order system (by ticking their preferences). This will be completed at school. Children with allergies have been considered and the camp menu offers a delicious range of food.
Please advise Deanne Freebody, Kim Surman or myself if you are able to assist with preparation at meal times (details on request).
